**Aging potencial:** The maturation of a classical Pinot Grigio may develop fantastically up to ten years.

**Wine description:** Eye-catching pale pink wine with a hint of salmon, which expresses the natural colour of the pink or “grigio” skins of the grape variety. The bouquet is delicate with aromas of poached pear and a touch of wild raspberry. There's good fruit concentration, with hints of red apple and poached strawberry. At the same time, the rounded texture is supported by smooth, supple acidity and a long mineral finish — authentic Pinot Grigio with real character.

**Food matching ideas:** Due to its elegant, complex structure, we recommend pairing it with various dishes – from cold fish starters to spring-summer kinds of pasta. It is excellent with seafood dishes and not too spicy Asian, Thai, and modern Japanese cuisine.

**Serving temperature:** 11 - 12 °C
