Wine description: A dark ruby wine showing inviting aromas recalling blackberry, ripe mulberry and blueberry fruit enhanced by touches of cloves and violet, and fine oak spice, just starting to develop real complexity. To taste it is succulent and generous, but not heavy with grainy tannins and great fruit, underscored by bright, vibrant acidity. Classy Merlot with a real sense of its place, approachable now but also has the structure and freshness to mature.

Food matching ideas: It's a great Merlot that can be served with dishes of modern high cuisine and traditional ones. Beef or mushroom wellington, nut roasts, roast joints, mature cheeses, spicy black bean dishes.

Serving temperature: 18 - 20 °C
